

2020 Veteran Home **VIRTUAL** Walk

Saturday / November 7 (9 a.m.)

Dear Veterans, Auxiliaries, Friends, Corporate Sponsors:

In order to keep us all safer this year, the **C.V. VFW Post 2111** asks that we all get together in a *different* way to honor our 300 veteran residents who live there.

Your loyal participation and donations over the past 18 years has always shown the respect and appreciation for what these great veterans have done for our country.

In so keeping, this year we encourage Posts, families and businesses to organize your own **Vet Walk/November 7**, which honors them. Please take videos/pictures of your special Walk and send them to vfwpost2111.org. We will show them on our web-site and at the Veterans Home.

Donations are welcome, since they directly benefit the yearly ***Veteran's Home Christmas Dinner***, which will be a safe, more limited event this year. All donor names, Posts, families and organizations will be recognized, unless anonymity is requested.

Please wear any *past year's Vet Walk T-shirt you have*, or Post, or patriotic shirt for the *Walk*, since the logistics and safety of handling new T's would be difficult, plus the cost of them is deducted, which lessens total donations.

Also, we can team together by sending VFW Post 2111 your Walk plan - which will then be seen in the Bugle newsletter, for August, Sept., and October. (Send your event details by the 25th, for the next month's issue.)

You can send donation checks, made out to "VFW Post 2111", at 299 I St. Chula Vista, CA. 91910. Please print "2020 Vet Walk", in the *memo section* + on the envelope.

We wish to sincerely "**Thank you!**" - during these historic times - for always remembering *their* selfless history.

(WW II, Korea, Vietnam, GWOT = age 80 average)

2020 'Veteran Walk' Donors and Walkers:

Thank you for your planning efforts this year, as we deal with organizing these 'individual' Walk events in a safer way on November 7, to honor our 300 Veterans at the C.V. California Veteran Home, during December.

Even if - your Post, group or organization cannot do an *actual* Walk on that day, *any* special get together, *any* time, that shows your support of them would be greatly appreciated! Videos of your event are also most needed this year to show Home Veterans we are thinking about them, especially when for safety, no visitors are allowed.

Links for videos/donations are at: vfwpost2111.org

Both are welcomed until December 7, to gather all to present to the Home, at their Christmas Dinner.

Donor names, by date received, will be listed on the Post 2111 web-site. (Unless anonymity is requested).

Thank you *all* for what you do *this and every year* for our retired, senior men and women Home Veterans!

Please call for any details. (Donations are tax deductible).
